

Annemount

Nursery and Pre-preparatory School

Attendance Policy

This Policy is for the whole school including the EYFS

Good attendance is essential to ensure pupils make good academic progress and are well integrated into the School.

Attendance

All teaching and nonteaching staff in the School must make a concerted effort to support pupils in maintaining high attendance levels.

This policy should be read in conjunction with other School policies including the School's Safeguarding and Child Protection Policy, Mental Health Policy and Behaviour Policy, found on the school website, as well as the Parent Handbook, sent by email to all parents on a yearly basis.

This policy draws on specific guidance and material from the following publications:

- Working Together to Improve School Attendance 2024
- Keeping Children Safe in Education 2025
- School Behaviour and Attendance: Parental Responsibility Measures.
- Equality Act 2010
- UN Convention on the Rights of the Child.

Head teacher Geraldine Maidment acts as the 'Attendance Champion' for the school, as per government guidance (headteacher@annemount.co.uk).

School Timetable

The school building is open to pupils who sign up for Early Morning Club from 8.00am. Otherwise the school doors open at 8.30am for all pupils.

Registration time for Year One and Year Two is 8.40am, 8.45am for Reception pupils, 8.50am for Pre-Reception and 9.00am for Nursery. Registration period closes 20 minutes later for each class.

Children need to be in their classrooms for their registration time, otherwise they will be registered as late.

The afternoon registration for each class is taken at 1.00pm.

The school term dates are published in advance and must be observed.

Children are to attend full day school the term of their fourth birthday.

Absence

Parents must email the school as early as possible if their child will be absent or late for registration (headteacher@annemount.co.uk). It is a statutory requirement for schools to have a written record for every absence stating the date and reason for absence.

Requesting leaves of absence: other than illness

Parents should inform the school at the start of each term and, in writing, if a child will be absent from school for religious holidays.

Parents are requested not to take their children out of school during term time for holiday purposes. A leave of absence, other than that resulting from illness or for religious observances as described above, must be sought in advance from the Head Teacher. Any request for absence must be made in advance and in writing, stating the reason, to the Head Teacher. Government guidance is that such a request for leave of absence cannot be granted unless there are exceptional circumstances. The School does not allow retrospective leave of absence requests or notifications from parents to be recorded as authorised.

In some cases, such as for a close family wedding abroad, the School will not be able to authorise the absence but will often accept that this is important to the family. This will be marked as an “unauthorised absence”. In accordance with DfE guidance, leave is unlikely to be granted for the purposes of a family holiday as a norm.

In addition to the School's terms and conditions for unsatisfactory attendance, the School will notify the Local Authority of any pupil who fails to attend school regularly or is absent without leave for more than 10 school days (continuous). The local authority will be notified and legal action may be taken in situations where attendance has no improvement.

The school will ensure that those missing school because of mental or physical ill health, or those with SEND, will be given extra support, by considering the individual needs of pupils. The school must alert the Local Authority about any pupil who misses 15 consecutive or cumulative days due to illness, as they may need additional support from the LA.

If a child fails to return to school after 10 days of authorised absence or has been absent without the School's permission for a period of 20 days or, enquires will take place by the School and, when necessary, by the Local Authority to establish the pupil's whereabouts.

10% absence means the equivalent of one day or more per fortnight across a full school year. The expected attendance is at least 92.9% (national average). Where attendance is as low as 90%, the school will consider additional targeted support, working with the local authority.

Any attendance concern related to the safeguarding and welfare of a child should result in an immediate contact with the appropriate Local Authority.

Notification of Parents

Parents will be regularly informed of their child's attendance records and any concerns about lateness or absence patterns will be discussed as they arise.

Admission Register

The Admission Register must contain specific personal details of every pupil in the school along with their starting date, information regarding parents, and details of the school last attended.

Schools have a statutory obligation to inform the Local Authority (Barnet) when a pupil's name is going to be deleted from the School's register on certain grounds such as: child removed to be home educated; when the family has apparently moved away; when the child has been certified as medically unfit to attend; when the child is

in custody for more than 4 months; when the child has been permanently excluded. The full list is set out in Annex A of the DfE [CME guidance](#).

The School will also inform the appropriate Local Authority when it adds or removes a pupil's name to the admissions register at non-standard transition points (e.g. where a child leaves the School before completing the final year of that section of the School or joins a school after the beginning of the first year of a section of the School). Notifications of additions to the School's register should take place within 5 days of the entry.

The School will comply with any Local Authority requests for information on pupil movement at standard transition points.

Responsibility for monitoring and recording additions and departures from the School's roll rests with the School's Admissions Officer.

Attendance Register

The School maintains an attendance register in accordance with government guidelines.

All pupils are formally registered twice per school day (AM & PM), this is recorded electronically. Staff must record registration using the following codes:

Admissions and Attendance Registers will be kept electronically, and all entries in the registers will be preserved for 6 years.

The Admissions Officer reviews the electronic registers weekly, as does the Class teacher, identifying any focus on individuals and cohorts with attendance problems, in order to target improvement for those who need it most.

The Local Authority have the right to examine and take extracts of Attendance Registers.
